

Contemporary Coping is a perfect addition to any hardscape project and are most commonly used as the finished edge around pools. They can also be used to highlight an entryway, steps or any application requiring a finished edge. Contemporary Coping provides a highly durable, slip-resistant finish for pool edges and retaining walls. Its modular design allows for effortless repairs, while the vast variety of colors create a seamless, customizable transition between the water and the surrounding hardscape. Ideal for pool copings, wall caps, and stair applications.
